

NHSH^P
New Hampshire Society of Health-System Pharmacists, Inc.

You're invited to a
Continuing Education Dinner Program!

ACS: Getting to the Heart of the Matter

Faculty: Toby Trujillo, PharmD, FCCP, FAHA, BCPS-AQ Cardiology

Associate Professor

University of Colorado Skaggs School of Pharmacy

Aurora, Colorado

Tuesday April 24, 2018

6:00pm: Registration/Reception (Cash bar)

6:30 PM: Dinner

6:45 PM: Program

Location: Tidewater Catering

250 Commercial Street Manchester, NH 03101

Entrance and parking in the back of building (facing the river)

Pharmacist Objectives:

- Identify patients at risk for ACS
- Explain the distinct phases of the continuum of IHD and ACS: UA, NSTEMI, and STEMI in order to assist the care team in managing patients as they progress through treatment
- Review recent advances in treatment for the ACS/CAD patient to optimize outcomes
- Summarize best practices to counsel patients on the importance of adherence and follow-up care while monitoring their ongoing health including coordinating all their prescriptions

Pharmacy Technician Objectives:

- Explain the risk factors of ACS
- Describe the differences between UA, NSTEMI and STEMI
- Identify recent developments in the management of ACS
- Recognize the importance of supporting patient information, adherence and outcomes

FREE to all NHSHP Members

You may RSVP online at www.nhshp.org by April 16, 2018
